

AUSTIN SHIFT MEAL

SUPPORTING OUR OWN IN TIME OF CRISIS

In light of the COVID-19 crisis, many workers in Austin's hospitality industry have been affected by closures and layoffs. Inspired by the Houston Shift Meal team, Austin Shift Meal is dedicated to providing these individuals with meals so that no one goes hungry.

We are accepting monetary sponsorships and donations from suppliers, businesses, and individuals who wish to help. These sponsorships will go to our restaurant partners to help offset their costs as they take care of our industry family during these difficult times. For every \$250 sponsorship received, a restaurant will be able to produce anywhere between 50-75 meals.

Many thanks to our non-profit partner, Austin Food & Wine Alliance, for their support and assistance. All monetary donations go to the Austin Food and Wine Alliance, who then work with and distribute the funds. The Austin Food & Wine Alliance is a non-profit 501©3 organization, tax ID 74-24553336.
